Press Release

Aarvi Encon Wins Work Orders of approx INR 8.21 Crores from Shell Energy India Private Limited, Hazira, Gujarat for a period of 3 years.

Aarvi Encon wins the following work orders from Shell Energy India Private Limited. The said work orders considered material in the opinion of the authorized key managerial personnel for determining the materiality of an event or disclosures as per the SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015.

The Company has received a contract of Rs. 8.21 Cr. (Rupees Eight Crores Twenty One Lakhs Only) for providing Technical Manpower & Insulation Services for worksites located along the coastline 35 km away from Surat City, Sectionalized Valve Station and Mora station located at 7 km and 18 km respectively away from Shell Energy Hazira Site. The contract is for a period of 3 years (36 Months) and the Company will commence the work from December, 2020.

Mr. Jaydev V. Sanghavi, Executive Director, Aarvi Encon Ltd said that we have been associated with the Shell India Energy India Private Ltd since many years and have been delivering such services to them in the past. We have received this order for Operation and Maintenance Activities of its worksites at various locations for the next three years. We are glad that they have repose confidence in us and Aarvi Encon Ltd will ensure that its services shall be in complete satisfaction of our valued customer.

About Shell Energy India Private Ltd.

Shell is one of the most diversified international energy Company in India with over 8500 employees and presence across upstream, integrated gas, downstream, renewable energy, and deep capabilities in R&D, digitalization and business operations. With a retail presence across six states – Karnataka, Tamil Nadu, Telangana, Maharashtra, Gujarat and Assam Shell is expanding its network of fuel stations across the country. It has the entire Lubricants end-to-end value chain in India, from conceptualization and development, to production and distribution. This includes a world class lubricant oil blending plant with a capacity of more than 115 million litres, a distributor network of more than 185 and over 60,000 retailers across the country. The Company also fully owns and operates an LNG re-gasification terminal at Hazira. With a focus on digitization and future ready sustainable solutions, the Company is nurturing a vibrant ecosystem in India to accelerate energy innovations with Shell E4 for start-ups, Shell Eco-marathon and investments in new energy companies like Husk Power and Cleantech Solar. Shell also remains committed to making positive contributions to the communities in which it operates through programmes like NXplorers, Access to Energy and Road Safety across India.
